

**Question:** Are there any updates in the wake of Ms [Maria Ángela] Holguín visit to Cyprus? What will the next steps be? She said that she will compile a report on the results of her contacts with the two sides. So, what will this report contain? Thank you.

**Spokesperson:** Well, as you know, the special envoy, Ms Holguín, will also brief the [Security] Council and keep them informed about her work. So that will be the next update you'll get about the visits that she's had.
