

**Cyprus News Agency:** Thank you, Stéphane. It is reported in Cyprus that Secretary-General's office had some contacts and meetings with the Greek Cypriot side in the last two days, here in United Nations Headquarters.

So, do we have any update? When will a senior United Nations Official be visiting Cyprus?

**Dujarric:** I can confirm you that yesterday our Under-Secretary-General for Political and Peacebuilding Affairs, Rosemary DiCarlo, met with the Greek Cypriot negotiator, Menelaos Menelaou, and as for possible travel date, we will announce that when we are ready to announce it.
