

Announcement by the Ministry of Transport concerning passengers travelling to Cyprus from the UK as of 1 August

Following the announcement that the UK will be classified as Category B as of 1 August 2020, travelers wishing to fly to the Republic of Cyprus from the UK are required to obtain a CyprusFlightPass from the online platform : <https://cyprusflightpass.gov.cy>

Applications may be submitted as of 20:00 (UK time), on 31st of July 2020.

In order to do so, passengers are required to upload the Covid-19 results with negative RT-PCR, clearly indicating the date and time the test was conducted (within the last 72 hours before departure time).

If passengers hold an “NHS Covid-19 notification” then it is required to upload, in a single document (pdf, jpeg), the following:

- a) “NHS Covid-19 notification” with negative result
- b) “Test Site Pass” (Appointment Confirmation email) clearly indicating the date and time of the test appointment. The 72 hours timeframe counts from the scheduled time of the appointment.

In addition to obtaining the CyprusFlightPass, passengers are required to carry with them, in hard copy or electronically, both documents (a and b above).
