

Issuance of SARS-CoV-2 Vaccination Certificate

In order to facilitate citizens for travel purposes and as a temporary measure until the implementation of the European Digital COVID-19 Certificate, the Ministry of Health will proceed, as of June 8, to the **issuance of SARS-CoV-2 Vaccination Certificates, for individuals who intend to travel abroad in June.**

The Certificate will be issued **in Greek and English only at the following locations:**

District	Location	Address
Lefkosia	Lefkosia Old Hospital	Nechru Avenue, Agios Andreas, Postal Code 1102, Lefkosia
Lemesos	Maternity Centre, Lemesos Old Hospital	Leontiou A' 188, Postal Code 3022, Lemesos
Larnaka	Vaccination Centre, Larnaka Port	Larnaka Port
Pafos	Maternity Centre, Pafos General Hospital	Achepans 8026, Postal Code 8100, Pafos
Ammochostos	Maternity Centre, Ammochostos Health Centre	Christou Kkeli 25, Postal Code 5310, Paralimni

In order to have the Certificate issued, **the beneficiary is required to visit** the above locations and present **the Vaccination Card** and the **Identity Card or Passport**, for identification purposes.

It is reminded that the issuance of a Vaccination Certificate is not required for travelling to Greece. The beneficiaries can present their Vaccination Card that is given at the Vaccination Centres.

The use of the SARS-CoV-2 Vaccination Certificate is **temporary and will be automatically revoked on the 1st of July with the implementation of the European Digital COVID-19 Certificate**, which will be used by all European Union member states for travel purposes.
